

Blankets

**OZARK LEATHER COMPANY
THE SADDLE KING OF TEXAS**

Winter Blanket

Made of 600 denier Steeltex Rip-Stop nylon with 300 grams of fiberfill insulation, the Ozark Turnout Blanket is designed with a waterproof coating to stand up to the wind and rain of winter. When the temperatures rise, the breathable fabric allows your horse to stay dry and comfortable. The blanket design enables freedom of motion and features a contoured rump with a tail flap and a soft nylon coat polishing liner with criss-cross belly straps and hidden rear leg straps.

710911 - 710930 **\$95.95** Available in burgundy, hunter green, and navy. Comes in assorted sizes: 72-in. - 82-in.

Water-Resistant Canvas Turnout Blanket - 102

This turnout blanket is constructed just like our 108 style Duck Blanket, but with the addition of gusseted shoulders and a tail flap, making it a true turnout blanket. These rugged blankets are water resistant with a 18-oz. heavy duty canvas duck shell, and a coat polishing nylon lining. Our breathable abrasion resistant outer shells and liners offer warmth and durability while effectively dispersing body heat to avoid excessive sweating. Contoured open front with 2 strap closure and 2-in. west coast leg straps.

710931 - 710942 **\$64.95** Available in hunter green, and navy. Comes in assorted sizes: 72-in. - 82-in.

Platinum Turnout Blanket

These durable blankets feature a waterproof and breathable 1680 denier nylon outer shell with a seamless back to keep your horse dry. It has gusseted shoulders, a contoured rump and a tail flap for comfort and mobility. The blanket has fleece on the withers to prevent rubbing and Dee rings for hood attachment. It has a double buckle front, criss-cross belly straps (2 wide webbing with snaps on both ends) and rear, hidden, elastic leg straps. Finally, the blanket has 300 grams of fiberfill insulation and a 70 denier coat

710889 - 710907 **\$112.95** Available in silver, blue, and purple. Comes in assorted sizes: 72-in. - 82-in.

* Hood not included
