

Oats/Alfalfa

Steam Crimped Oats

Steam Crimped Oats consist of extra heavy oats, screened to eliminate foreign material and cleaned to reduce dust. They are then steamed and crimped which enhances the digestibility of their starch.

Crude Protein (min.)	10.00%
Crude Fiber (max.)	3.00%
Crude Fat (min.)	12.50%

Item #1120 50-lb. bag

**HORSES ARE BUILT TO COMPETE
WITH OTHER HORSES.
NOT PARASITES.**

SHAWNA HARDING AND COME ON III

Parasites compete with your horse for nutrition. Left unchecked, they can impair condition, performance and even cause colic. The solution? Deworm daily with STRONGID® C 2X (pyrantel tartrate), which doesn't allow parasites to get a foothold and can make a visible difference in your horse. To learn more, visit StrongidC2X.com.

Always consult your veterinarian before starting any parasite program.

Strongid C 2X

For your everyday champion.
