# Horse Supplements

## CO-OP Supreme Horse Supplements

Co-op Supreme Horse Supplements are designed to provide specific, bioavailable major and trace minerals and vitamins to supplement multiple feeding and forage programs.

Apple flavoring makes them more palatable to finicky eaters.

### Supreme Horse Mineral

(#96633) 25-lb. bag

### Supreme Horse Mineral Block

(#96014) 25-lb. block

The loose mineral and blocks contain added biotin, which aids in hoof health and may improve hair coat, and a full complement of fat-soluble and B vitamins, which may be beneficial to stressed horses.

### Supreme Horse Supplement Block

(#96013) 33<sup>1</sup>/<sub>3</sub>-lb. block

The Supreme Horse Supplement Block is specifically formulated for horses needing supplemental protein due to nutritional imbalances associated with poor-quality forages.

Because each of these supplements is formulated to provide the same vitamin and mineral features and benefits for your horse, you can choose the form that fits your feeding practices.

# Futurity Precise

## Equine Supplement

### HOOF & HEALTH PROTEIN TUB

Futurity Precise Hoof & Health Tubs provide:

- Increased methionine levels for hoof health and maintenance. They deliver 3 grams of methionine per horse per day.
- Fine-tuned micronutrient profile to deliver precise trace minerals and vitamins.
- Increased levels of zinc, manganese, and vitamin E.

All trace mineral and vitamin levels have been established according to the latest equine research and industry standards.

### Horse Power for Top Performance

Give your horses "go power" with high energy Stable-lyx® Supplement. It contains the chelated/organic trace minerals and vitamins horses need to maintain peak performance and working condition-plus extra biotin for improved hoof growth and durability. If you want more for your horses, ask for Stable-lyx® free-choice supplement.

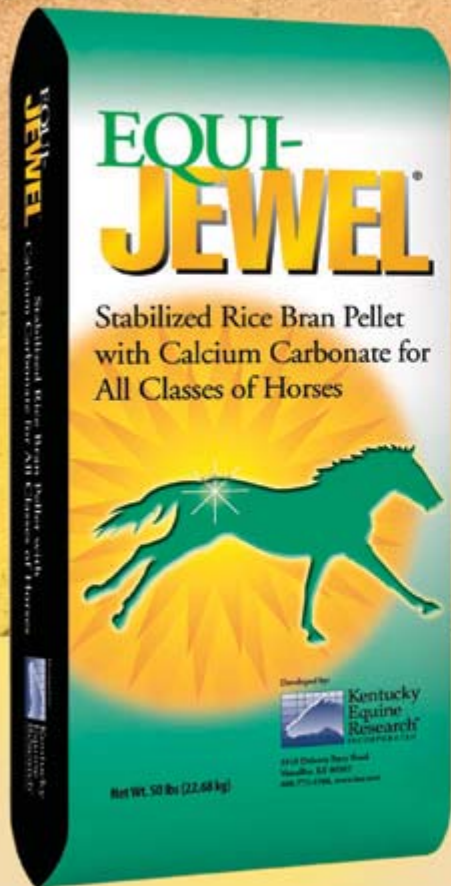

#RB07191

# Working Hard? Need Energy? Use Equi-Jewel!

- Adds calories to the ration without excessive grain intake.
- Supplies a highly palatable and digestible form of fat.
- Contains a balanced ratio of calcium to phosphorus.
- Provides fatty acids essential for healthy skin and hair.

**Oats/Alfalfa**

**Steam Crimped Oats**

Steam Crimped Oats consist of extra heavy oats, screened to eliminate foreign material and cleaned to reduce dust. They are then steamed and crimped which enhances the digestibility of their starch.

|                      |        |
|----------------------|--------|
| Crude Protein (min.) | 10.00% |
