FEEDING DIRECTIONS: Co-op 15% Beef Show Feed is designed as a grain ration to be fed along with a good-quality forage/roughage to growing calves. After an acclimation period, offer this product at the rate of 2.0% of body weight per day. Offer half of the daily feed in the morning and the other half in the evening. Clean, fresh water should be available at all times.

CAUTION: Do not feed to sheep or other copper-sensitive animals. Do not exceed 0.30 ppm selenium in the total ration.
